Community Outreach

Part of the Emerge Gallery & Art Center’s mission is to make the arts accessible to the entire community. For every five paid programs, one is completely free. We do this through art programs geared towards those affected by cancer in the hospital, artist in residency programs, and our Youth Arts Initiative program, which includes scholarships and our Youth Public Arts Project.

Youth Public Arts Project is our longest running outreach program. Started in 2005, this is a bi-monthly program, where youth come to the arts council to work with professional artists and musicians to create various public art projects and learn about the rich heritage of African American music. The public art is then displayed throughout the community.

Art is Good Medicine is an arts in healthcare program in partnership with local healthcare providers Vidant Health. Professional visual artists work with adult and pediatric cancer patients and survivors. In addition, we facilitate weekly art experiences at Hope Lodge and offer free workshops to cancer patients, survivors, family members, and caregivers.

Scholarships are available to our community in need to attend classes free of charge.

ADDITIONAL WORKSHOP INFORMATION

Emerge Gallery & Art Center is still requiring mask for everyone, regardless of vaccination status. For these situations we ask that you pull down your mask for sipping and place it gently back over your nose and mouth. We will have the room set up in a way that allows you to seat near your pod (if you are coming with one, please note on your form).

In-Person Class Cost: \$40 for Emerge members, \$50 for non-members.

ENAMELED JEWELRY

In this workshop, you will be exposed to a variety of enameling techniques to create colorful wearable jewelry. Enameling is a process of fusing powdered glass to metal by firing in a small kiln.
